

## **The Magnificent 7 – a 28 mile moorland loop above Heptonstall**

This is an extension of Andrew Bibby's Six Trigs Challenge modified to start from Heptonstall (instead of Hebden Bridge) by some local CVFR members and takes in Standing Stone Hill en-route to Bride Stones. The whole loop is a high level expedition across 28 miles of near pathless terrain with few big ascents. It has been an informal annual Spring or Winter outing since 2008. Details of any future runs can be found under the Long Distance section of the FRA Form.

### **Route**

Start and finish: The White Lion, Heptonstall (GR 987 281)

Standing Stone Hill (GR951 303)

Bride Stones (GR 932 268)
